I am. (not). I spent a week up in Sudbury with my eldest son and had a good rest (I tried). I would like to thank Lion Ev for the work she put into the shopping spree and to all the members who were out sitting selling tickets, and also to our wonderful Santa and elves at our free skate and to all the vendors who supported us.</p> <p>We now begin our school programs and on membership. I know that our membership committee is working real hard to come up with a plan for us to start working on.</p> <p>For the members that were not at the last dinner meeting, it is with deep regret that we accept the resignation of our Tail Twister who has resigned for family and personal reasons, Lion Laura has said that if things improved in the next year she will return. We wish her the best. Lion Laura has promised to keep in touch with the club members.</p> <p>Our club has a lot of hard work in the coming months but working together, we will get it done.</p> <p>That's it for this bulletin see you on January 26th at the next dinner meeting</p> <p style="text-align: center;">Yours in Lionism Georgie</p> <p>QUOTE: Not a single shred of evidence exists in favor of the idea that life is serious.</p> <p style="text-align: center;">- Brandon Gill</p>	<p>2ND VICE DISTRICT GOVERNOR</p> <p>Lion Earl Oliver (Carol) (Norwood Lions Club) R.R.#1, Norwood, On.
